Richmond's business section yesterday afternoon began to take on holiday aspect for the Christmas season. Street decorations which promise to surpass those of the past years for the Christmas season were started by a crew of workers.

Light standards along Macdonald avenue from Third to Twenty-third street will be bound in spirals of pine boughs and red ribbons with the pine boughs fashioned from the base to the lights. Further decorations will be added by the merchants under whose auspices the work is being carried on and Macdonald avenue will carry out the spirit of Christmas for the next 18 days.

117 ORDERS BOOKED FOR NEW FORD

Proving the popularity of the new Ford models in Richmond, orders for 117 machines have been received to date by David M. Rose, local dealer, according to an announcement made last night.

Rose declared that the three most popular models are the Coupe, the Sport Coupe and the Fordor Sedan.

The 117 cars have been ordered from pictures of the models alone since no one has yet ridden in the machines. The salesroom still continues to draw large crowds daily for inspection of the pictures of the various models.

HINT PROTEST TO BAY BRIDGE

MARTINEZ, Dec. 9.—Inquiries in official circles today gave rise to statements here that the Matson Navigation Company and the California & Hawaiian Sugar Corporation will interpose objections to construction of a proposed Contra Costa-Marina County bridge Tuesday when hearing is resumed before the board of supervisors on bids for a franchise submitted by the Richmond-San Rafael Ferry Company and the Richmond-San Rafael Bridge, Inc.

The two corporations are proposing structures that would cost approximately \$12,000,000 and which would have terminals near Castro Point, Contra Costa, and Point San Quentin, Marin County. Each structure proposed would be close to 15,000 feet in length.

It has been indicated, officials said today, that the navigation company, operators of some of the largest vessels touching San Francisco bay, may object to the proposed spans on the ground of danger to ships.

It was indicated also that objection might run only to plans for pier construction.

Announcement was also made that Attorney T. H. Delap of Richmond has withdrawn as one of counsel for the ferry company, the withdrawal being prompted by his recent affiliation in law practice with District Attorney A. B. Tinning, who, in his official capacity is legal advisor to the supervisors.

Granting of the franchise rests with the Contra Costa board as the law extends this privilege to the county on the left bank.

Name Samuel Ripley In \$50,000 Suits

Ripley of Richmond, as a result of an auto accident near Yolo, Yolo county, on November 6, 1927. It is charged that the Brundages were riding along in their car when, through the negligence and carelessness of Ripley, the autos collided, injuring Mrs. Brundage, in that case was bruised, her face and head lacerated and cut and suffered severe shock, depriving Mrs. Brundage of her services and comfort around the home as a result, and also bruising and cutting Brundage. Bernice Brundage was injured internally in the accident, the extent of which is not yet definitely known. Miller and Holland attorneys-at-law from Oakland represent the Brundages.

Divorce, Remarry Now Again Want Bond Sundered

MARTINEZ, Dec. 9.—Divorced and then remarried, Charles M. Patten of Richmond and his wife, Lillian, got back into the divorce courts again today when Patten instituted suit here.

Charging that his wife has a violent temper, Patten declares that she has cursed him and on November 29, ordered him to leave their home. He claims Mrs. Patten has encouraged the idleness of a 19 year old son by a former marriage has tolerated her son's abuse of him and says that support of the boy fell upon his shoulders.

Patten also cites an occasion when he claims his wife attacked her sister, resulting in the sister and her mother leaving their home, where they had been on a visit. Custody of two children is asked by the father.

They married in 1915 and in 1924 a divorce was secured by Mrs. Patten, according to the complaint. They remarried in 1925.

The suit was filed through Attorney Lee Windrem.

Christmas Clubs Make Early Seasonal Buying Possible

The rapid growth of the "early Christmas shopping" movement in cities throughout the country is indicated by changes which have been made by banks and other financial institutions in the management of their Christmas savings funds.

When this plan was first inaugurated a few years ago, it was the universal custom to make the annual distribution of this money on December 15 or even later.

A recent survey by the American Bankers' Association, reported to the Richmond banks shows in practically all cities the distribution will be completed prior to today. There are hundreds of these Christmas clubs now operating in this state.

"Bankers have been quick to respond to the demand of the Christmas depositors," President E. M. Downer of the Mechanics Bank, said yesterday. "The depositors found that where distribution was delayed until December 15 or later they were losing the best of the Christmas shopping opportunities. Their money was not available until the merchandise stocks in the city had been somewhat depleted, and they were forced to compete with

Fly-By-Night Contractors Are Circumvented By New Rules

Complete Sets of Plans Must Be Filed After First of Year

Effective January 1, no building permits will be issued by City Building Inspector A. J. Hurley unless complete sets of plans are presented upon application.

Two complete sets of blue-prints will be necessary, declared Hurley yesterday. One must remain in the building inspector's office and the other must be kept by the contractor on the job until the building is completed. Set of blue-prints must contain plot plans and building plans including floor plans, elevations of front and sides, size of room, foundations, and roof construction. Plans must show the proposed building in regard to property, location and location of other buildings on the property.

These measures are required by a building ordinance passed by the city council and effective January 1 and were adopted to prevent fly-by-night contractors.

Minister At Pt. Baptist Attends Church Conclave

Rev. H. D. Erickson of the Point Richmond Baptist church leaves next week for Portland, Oregon, where he will visit with members of his family before going as a delegate from the student body of the Berkeley Baptist Divinity School, to Detroit, Michigan, to attend the "Tenth Quadrennial Convention of the Student Volunteer Movement, and a special Theological Conference held in that connection. Rev. Erickson expects to be back in California by January 10 and will spend some time speaking in various churches upon the results of this Detroit convention. The program of the convention will be concerned with present pressing problems connected with Christian Missionary activities abroad and in this country. A selected group of about 3500 students from nearly all the Colleges and Theological Schools in the United States and Canada will be in attendance at the convention.

County Realtors Meet Wednesday

MARTINEZ, Dec. 9.—The December meeting of the Contra Costa Board of Realtors will be held in the banquet room of the Travelers hotel, Martinez, on December 14. The business meeting will follow a chicken dinner, which is to be served at 6:45 p. m.

An important question to come before this meeting will be that of the Richmond Realtors organizing an independent Real Estate Board. In the past Richmond has been included in the Contra Costa Real Estate Board, but it is believed that better results will be attained if two boards are organized and arrangements made for them to meet jointly on matters that concern the entire county.

Arrangements for the Christmas party which is to be given by the Realtors to the kiddies of Sunshine Camp will also be made at Wednesday's meeting.

Nearly 75 per cent of the girls registered at Wesleyan university, Conn., are affirmed smokers, a survey revealed.

RAIN STOPS TRAFFIC ARRESTS

The heavy downpour last night saved a number of motorists who unconsciously of the danger went their accustomed ways along Macdonald avenue.

A few minutes before the rain began to fall, state and city traffic officers drew up their machines at San Pablo and Macdonald avenues preparatory to stopping motorists with faulty and illegal headlights.

And then it rained. There was nothing for the traffic officers to do but run to motor-cycles and cars and forget about illegal headlights and traffic violators until some time when the skies were clearer and the weather man promises better.

But later, thirty-four motorists were cited for operating with illegal headlights. These motorists will be given five days in which to have their lights adjusted at official light-testing stations and if they are not adjusted by that time the erring drivers will see Police Judge Clarence Odeil. It stopped raining.

"Dirt Dished" As Oak Council Begins Probe

They "dished the dirt" in a clean wholesome manner yesterday as the Oakland city council undertook the task of rooting out among the garbage heaps of hog companies, one concerning the Contra Costa Hog Company, having its ranch in Richmond, under suspicion of having "hogged" the city contract for swill by the payment of 20,000 round simoleons.

It was an affair for a referee under the pyramid light of the prize ring, and it was freely conceded that the referee would have put in much of his time in warning the participants in the fray for holding.

HOGS NOT WITNESSES

Testimony taken from every one except the hogs, who after all will benefit most from the verdict, showed that the city councilmen have a long, long trial ahead of them to probe each and every ramification in the alleged "deal" by which rival hog companies are alleged to have been forced to pay for sub-contracts.

MAYOR DAVE ABSENT

The first trouble came when it was announced that Mayor John L. Dave would be unable to attend the session. Despite pleas of attorneys for an adjournment, it was finally decided that the "dirt" might as well be piled into neat stenographic notes.

Court reporters were forced to send for an extra reinforcement of pads before the hearing proceeded far, to what end was not immediately apparent.

WILBUR PIERCE COUNSEL

This object of the quiz was the basis of a rhetorical bombshell hurled from the hand of Attorney William Pierce, formerly of Richmond who appeared as counsel for E. P. Mayer, president of the Contra Costa Hog company. He said: "If it is to show that city officials have been bribed and that there is graft and corruption, then we are ready to proceed. It is indicated here that the Mayers have been involved not only in securing an unlawful contract, but also have been guilty of a felony. If the inquiry is one concerning graft, well and good. But if you are trying to void this contract I shall instruct my client not to testify. The place for such an investigation is a (Continued on Page 5)

RICHMOND MEN ATTACK AWARD OF CITY SWILL

Supreme Court Decision Cited As Evidencing Rights of City

Declaring that in their belief the recent swill ordinance passed by the city council and the contract awarded to E. P. Mayer of the Contra Costa Hog Company were legal in every aspect, city officials yesterday stated that the city has the right to all garbage and its disposal within the city limits.

CONTRACT ATTACKED

In a protest to be filed with the city council, four Richmond restaurant operators have attacked the awarding of the swill contract on the grounds that in their belief the city is without authority to award swill from restaurants holding that the swill is their property since they produce it. They further oppose the contract because of its length of time. Five years, they contend, is too long a period.

Verbal protests will in all probability be made at the meeting of the council Monday night when the protestants will appear.

FOUR PROTESTANTS

Those protesting the action of the council are: Harry Boettger, of the Richmond-San Rafael Ferry, F. Marshall of the Cathedral Coffee Shop, Fred Risley of the Hotel Carquinez and F. Purviance of the Den O'Sweets. They hold that the sale of garbage is a valuable right that heretofore has been considered the property of restaurant men.

Marshall declared last night, that they had decided to make the protest before the contract goes into effect.

DECISION CITED

In a recent decision handed down by the supreme court in the case of the City of Pasadena vs. the Hotel Maryland of that city, it was declared that cities have the right to garbage disposal and that all garbage is the property of cities.

According to the protestants "the city of Richmond is acting hastily, inadvisably and is perhaps overstepping its authority, in that such an ordinance attempts the confiscation of property, not of considerable value at the present time perhaps, but in view of the prospective growth of Richmond perhaps of quite a considerable value, and that this attempted confiscation is not a proper exercise of the police power of this, or any other city. We say this because aside from it being plainly visible that the passage of the ordinance creates a monopoly for the term of five (5) years in favor of Mr. Mayer's interest in the collection of swill and wet garbage, it does not otherwise affect or change general conditions in that regard, nor add a single additional sanitary protection to the health of the community.

Nor do we deem it advisable that through hasty and ill-considered action, following in the foot-

BIG AUDIENCES WITNESS FILM AT RICHMOND

"After Six Days" a magnificent
production featuring the life
of Moses, is playing to capacity
business at the Richmond theatre.
Especially interesting are the
scenes showing the building of the
Ark, the confusion of the Tower
of Babel, Joseph and his Breth-
ren, the Red Sea Miracle, the
Lives of Solomon and Moses, and
all the colorful episodes of the
Old Testament presented in pleas-
ing array.

The picture was produced in
Italy and took five years to com-
plete, at a cost in excess of
\$3,000,000.
The producers painstakingly
photographed many of the scenes
in the original locales called on
in Bible in Babylonian, Mesopo-
tania, Egypt and Palestine, so
that the public could get a
picture of the actual scenes of
these historical periods.

In magnitude of story, settings,
characters, effects, number of
people employed, scenic invest-
ment and entertainment, "After Six
Days" surpasses the supreme ef-
forts of contemporaneous pro-
ducers of the Old World and the
New. It offers a supreme appeal
to all classes of people, for it
is as edifying as it is entertaining
and that is saying much.

"The Mission Trail," made in
natural colors, will also be
screened on the same program.

COMPROMISES HELD CERTAIN IN CRASH SUITS

MARTINEZ, Dec. 9.—Settlement of four damage suits seeking judgments aggregating more than \$100,000, instituted following the death of one person and injury of three others in an automobile crash in El Cerrito on February 19, was reported as certain today following a compromise of one of the actions in Superior Judge H. V. Alvarado's court.

Mrs. Rebecca D. Hofas, of Richmond, who sued for \$30,000 for the death of her husband, Frank Hofas, compromised the action for \$1950. The defendants in the suit were John Winebrenner, W. J. Gillard and Konrad-Gobel, Inc.

Other suits, against the same defendants, which, it is said, are also to be compromised, were instituted by Dora Randall, who sought \$25,000 for personal injuries by Walter E. Randall, husband of Dora Randall, who asked \$21,125 for loss of his wife's services by her injuries and J. E. Hill, who sought \$20,000 for personal injuries.

Hofas, Mr. and Mrs. Randall and Hill were passengers in a car driven by Gillard. It crashed at a street intersection with a machine driven by Winebrenner and owned by Konrad-Gobel, Inc. The suits charged negligence to both drivers.

Plaintiffs in the actions were represented by Attorney T. H. DeLap.

"Dirt Dished" As Oak Council Begins Probe

(Continued from Page 1)

Professional pride also played a large part in the testimony. Peter Bandoni asserted that he had the largest hog ranch in Alameda county, and at the same time denied that he had previously said his hog ranch was larger than Mayers' hog ranch located in Richmond.

Again, attorneys wrangled abnormally as to whether Bandoni, on the stand, had said "yes" or "no" in reply to the question: "Did you pay \$6,600 knowing it was to be a bribe to public officials?"

Attorneys on both side with their ears inclined to the proper angle asserted that Bandoni had said "yes" and "no."

NEW HE PAID

As to the payment of the \$6,600, there was no doubt in Bandoni's mind. He paid the money, he affirmed, drawing on his vocabulary to elucidate firmly that he had invaded his exchequer.

The checks, one for \$4,000 and the other for \$2,600 were entered in evidence by Bandoni's attorney and with Mayers' endorsement on the backs, there seemed to be little doubt in any one's mind that some kind of a transaction had taken place, just what kind, the council is determined to find out.

FURTHER "DIRT" PROMISED
This morning, Heim Goldman and J. H. Morris, both of San Francisco, will endeavor to enlighten the audience as to what they know concerning the alleged \$6,600 payment of Bandoni to Mayers for the alleged "slush fund" to grease the wheels of city hall politics.

Marine Supervisors To Urge Bay Span On Present Routes

When hearing is resumed by the members of the Board of Supervisors of Contra Costa County at Martinez regarding the application to erect a bridge from Point San Quentin to Contra Point, Monday, December 12, Supervisor Breysher, of Marin County, will present a resolution passed by the Marin County board urging that the franchise be granted, and that the location of the bridge should be such that the present lane of travel shall be utilized. Supervisor Breysher will carry with him a copy of the resolution as a direct communication from one board to another. The resolution reads in part:

"The location of the bridge should be such as to best serve the people of Contra Costa as well as Marin County, and also the surrounding territory and permit said bridge to connect with the local, County and State Highway system.

"Whereas, such a location of the proposed bridge should be made in the interests of both Contra Costa and Marin County by constructing said bridge accordingly and locating the East-erly bridgehead of said bridge at Point San Quentin, Marin County, and which point is the beginning of the State Highway which extends northerly to the city of San Rafael and connecting di-

rectly with the Redwood Highway and all other points in Marin County, and locating the East-erly bridgehead of said bridge at or near Contra Point which is directly connected with the City of Richmond by way of Seefield Avenue, and also other points in Contra Costa and Alameda counties.

"Whereas said location as above described would serve best the interests of Contra Costa and Marin Counties, and in particular the travelling public since the above mentioned routes have been erected and established for traffic for many years, the same should be developed and utilized in the future."

MUSIC LOVERS ENJOY BAPTIST CONCERT HERE

There was a large attendance of music lovers at the concert given for the benefit of the organ fund of the First Baptist Church at the Lincoln Auditorium last evening. The performance was furnished by Sherman, Clay & Co., of Oakland, the proceeds to be applied toward the Baptists purchase of their new Sherman, Clay & Co. pipe-organ.

Evelyn Phelan, American pianist, who was heard at the concert last night, received her early training under George McManus and Albert Elkus, prominent California instructors, and later under Paolo Gallico and Walter Godlie of New York, and the celebrated Russia master, Joseph Levine.

Miss Phelan's program contained entertaining numbers by Chopin, Liszt, Brahms, Lescherzky, Schubert and Saint-Saens. Juanita Tennyson, well-known concert pianist who has gained numerous friends on the radio was on the program also.

R.U.H.S. WALLOPS LOWELL IN DOUBLE HEADER

BOTH LOCAL HIGH CAGERS WIN VICTORY

Richmond Union high school quintets last night won two victories from the Lowell high school teams in games played in the local high gymnasium.

The unlimited team showed under the San Francisco big team by a score of 26 to 13 in a fast game during which the local cagers managed to keep the ball near their hoop throughout the greater part of the game. They outplayed their opponents who managed to get in the largest part of their score in the first half of the game.

Emerson was high man for the Lowells with Williams high score marker for the Richmond team.

The Class B team did not pile up as large a score as their older team and barely won by a foul tossed by Oishi in the last minutes of the game. Until then, the score was tied, 18 all.

The lineups were as follows:

Unlimited: RICHMOND—DeBaere (4); Melin and Williams (2); right forwards; Hall and Jackson (6); left forwards; Kenny, Bonini (2); and Arnold (3); centers; Swenson (1) right guard and Baldwin and Williams (8) left guards.

LOWELL—Post (23) and Eshen.

Paul Berlenbach Fades Out Of Ring Highlights

CHICAGO, Dec. 9.—Paul Berlenbach, a middleweight light-heavyweight champion of the world based out of the pugilistic picture here tonight.

Brutal and battered, buffeted about at will by the rollicking right of Jack DeLoach, Berlenbach's gameness carried him into the sixth round though the beating he took was undoubtedly the worst of his great career.

Referee Jimmy Gardner halted the bout in the sixth at the solicitation of Delaney who saw no purpose of shooting home any more punches on the helpless hulk that would not sink beneath the siege of rights and lefts.

ORICK—\$168,322 contract let for construction of 3 and one half miles of Redwood Highway 15 miles above here.

There will be little arguing with the choice of the National League's Most Valuable Player Committee, which yesterday voted Paul Waner of the Pirates that honor for the 1927 season. The older half of baseball's most celebrated brother act most assuredly earned and deserved it, and the 22 but of a possible 80 points that he received in the balloting shows just how the committee of eight baseball writers felt about him.

That half-raising race in the National League last season concentrated attention on several of the game's stars who, through their brilliant individual efforts were keeping their teams up in the running. Frankie Frisch of the Cardinals and Rogers Hornsby are notable examples, and they polled big enough totals in the voting to make it the closest contest ever held for the honor. Frisch, in second place, was only six points behind Waner, with 66, and Hornsby held down third place with 54 points. Charley Root of the Cubs with 46, and Travis Jackson with 42, were others who attracted plenty of consideration by their fine play.

Still Paul Waner stood over them all. He led the National League in batting with a percentage of .379, and even 20 points better than Hornsby, who finished second. His superiority here was was clean-cut, and no would-be champions bobbed up to dispute his claim as he did in 1926, his first year in the big league. Last season, after much ado, Bubbles Hargrave of the Reds was regarded as the National League's batting champion, with a .351 average for 105 games. Walter Christensen, Cy Williams and Earl Smith were other claimants finishing with higher averages than Waner, but Paul, with a mark of .336 for 111 games, always had the strongest claim with those who feel that a batting championship should be judged over a full season's work and not part of a season.

During the past season he settled all of these disputes himself through the effective medium of his bat. He led the National League in hits with better than 200, drove in more runs than any one else on his team and scored more. Certainly, in a race that carried up to within one day of the end of the season, the Pirates would not have been able to stick to the battle as persistently as they did without their biggest gun.

Though temperamentally he bears very little resemblance to

Ty Cobb, Paul's work on the field is always reminiscent of the great Georgia Peach. Like Cobb was in his prime, Waner is a great outfielder, speedy and sure-sighted (the nice to Paulie and forget the World's Series!) and with a strong throwing arm. His speed on the bases is already celebrated—and not exaggerated—in both leagues, and that he is naturally a great batsman must be evident to every one who has watched him through his low seasons in the big show.

Because of his great resemblance to Cobb as a ball player it seems unfortunate that Waner couldn't have been proclaimed the National League batting champion in 1926, his first year as a big league regular. Cobb led the American League in batting for the first time in 1907, which was his first year as a Detroit regular. He had played in 41 games for the Tigers in 1905, and in 97 in 1906, but 1907 was his first full season, and he stepped right to the front of all American League batsmen and stayed there for nine years.

With the youngsters in baseball giving the old stars who sparked year after year a merrier battle for top honors each season, Waner may be on his way toward emulating the great Tyros, and give the National League a dash-giving star such as they have wanted to offset the American League's collection of luminaries in the persons of Cobb, Ruth, Speaker, Collins and Walter Johnson.

Along with the honor of being designated as the most valuable player in the National League goes the more substantial recognition of \$1000, a gold medal and a scroll, all of which will be presented to Paul next season in Pittsburgh. In winning the award he follows Bob O'Farrell of the Cards, who was named in 1926; Rogers Hornsby, who won in 1925; and Dazzy Vance of the Dodgers who was the first to receive the honor when it was first established in 1924.

GRID SCHEDULE PRESBYTERIANS DISCARD SEEN AND WESLEY IN IN CONCLAVE HOOP LAURELS

PORTLAND, Ore., Dec. 9.—Faculty representatives at the Pacific Coast Intercollegiate conference, at their meeting here today, which was around 3 to 4 p. m., decided to table until tomorrow the schedule drawn up by the graduate managers at their meeting Thursday, and it is hinted that the program may be thrown into the discard.

Persistent rumors that the schedule would be scrapped floated through the Hotel Portland lobby this afternoon, but the faculty members refused to talk except to state that it had been tabled.

There is another report that the faculty men are working on a scheme of rotating games in an effort to arrive at a plan which will determine definitely the conference championship.

Rejection of the schedule would mean a renewal of bickerings between graduate managers, although it is possible the faculty themselves will lay down a schedule for next season.

The graduate managers at this morning's session discussed the training table rule which requires that an athlete shall pay his portion of a training table meal; that is the evening meal, should any athlete fail to pay his share, he would be declared a professional.

Should any athlete violate the rule, the athlete would not be eligible to participate in any athletic event sponsored by the I. C. A. A. Poughkeepsie regatta or any amateur event.

Ways and means regarding the following of this rule to the letter was discussed by the graduate managers, it was reported a number of athletes in the conference are violating this rule.

The managers' association decided to allow officials who are forced to travel over night \$9 a day expenses.

Discussion of the broadcasting of football games was discussed and a committee, unnamed at the morning session, will be appointed to the spring meeting of the managers.

The annual Pacific Coast day

Both league leading teams of the Church Basketball League won their games in the Y. M. C. A. last night. The first Presbyterian 4 men defeated the San Pablo Baptists in a close fought game ending 21 to 20 and the Wesley Methodist team won from the Community Methodists 25 to 17.

The First Presbyterian-San Pablo Baptist battle was neck and neck until the last fifteen seconds of the game when a foul tossed by Glenn Williams ended that game.

The Wesley and Community Methodists were tied, 12 all at the half. Then the Wesleys stepped out and did their stuff.

The lineups were as follows:

FIRST PRESBYTERIANS—Spillers (4) right forward; Morrison (2) and Rodrick left forwards; L. Bowman (6) center; Coakley (7) right guard and G. Bowman (4) left guard.

SAN PABLO BAPTISTS—Pinto (8) right forward; H. Sandwich (3) left forward; Wilson (3) and Swenson, centers; R. Sandwick and Nevis, right guards and Moltzen (6) left guard.

WESLEY METHODISTS—Fowell, (6) right forward; Hosking (11) and Hanrahan (4) left forwards; Hutton and Crigler, centers; Black (4) right guard and Jenkins, left guard.

COMMUNITY METHODISTS—Redfield, right forward; Rulley (5) and Johnson left forwards; Rowe (5) center; Lockwood (7) right guard and Bennett, Roberts and Thomas, left guards.

\$1,000.00 CHRISTMAS PRESENT

The Whole Family will enjoy the Comfort, Happiness and Prosperity that this desirable present will bring to you all for years and years to come.

DO YOU WANT IT?

Of Course you do, so will any others.

"First Come - First Served"

HERE IS THE STORY

Mr. decided to build a home in Mira Vista, and selected plans for a five room house and garage that contained everything one could desire in a convenient, modern up-to-date home.

He selected a beautiful corner lot 55x89 that is "just right" for his "ideal home" with a view that would always be pleasing. Well, he built and built, added something here and something there; the best was none too good for "his home." Unfortunately he did not "stop to count the cost" for when the house was finally finished he found that he had gone far beyond his means; he was unable to "pay the bills." The creditors were compelled to take the property over and we have been instructed to sell it for the amount of their interest.

The total selling price is \$2500.00 Less Christmas present \$1000.00

Net selling price \$1500.00

Payable \$500 or so cash, then about \$10 per month which is what it would rent for; so the first payment is about all it will cost—lot, house and all.

FONG WAN

has had the unique personal experience of having relieved more than 14,000 sufferers from various ailments. He hires no assistant herbalists to act as substitutes for him, but day after day he is to be found in his office at the appointed hours. Although the Fong Wan Herb Co. has no branch offices in any city, it publishes more new testimonials weekly than does any other herb company, regardless of the number of herbalists they may employ. All these testimonials have been given to Fong Wan, and testify to his ability, and not to that of some herbalist whose services are no longer available.

RICHMOND MEN ATTACK AWARD OF CITY SWILL

(Continued From Page 1.)

steps of the City of Oakland, which we are advised has already brought upon itself litigation through the passage of an ordinance similar to the ordinance reported passed to your body. The city should place itself and its taxpayers in the position of facing similar or more serious litigation. Under this contract it is our opinion that should any number of Mr. Mayer's hogs be killed through the eating of poisons, such as ant poison, rat poison, and other poisons used to destroy rodents and pests, that the city might at any time be liable to a damage suit. We mention this as only incidental, but as affecting all citizens and taxpayers. At the present time certain hotels in Berkeley and San Francisco receive as high as from one hundred (\$100) dollars to one hundred fifty (\$150) dollars per month for their swill under a system of competitive swill or collection carried on under strict sanitary requirements as any required by ordinances of the City of Richmond. The right, therefore, to dispose of one's wet garbage and swill is property, and in attempting to enforce this ordinance and enter into such a contract, for such a period of years, it is our belief that the City of Richmond is attempting to sell what does not belong to the City of Richmond, and what might, if not presently, then at some future time be of a considerable property value to the undersigned or to other business men, who by reason of the growth of the City of Richmond should enter into like business here in our city.

Certainly this wet garbage swill must be of considerable value, otherwise Mr. Mayer would not be disposed to pay the city approximately seven hundred and thirty (\$731) per year, as provided under his contract.

The purposes and scope of Contra Costa, the county chamber of commerce—as the organization will henceforth be known—are set forth in article one under the title "Objects."

The objects and object of Contra Costa, Inc., are to promote and encourage the business, agricultural, industrial, and civic development of Contra Costa county and the State of California.

To encourage the location of manufacturing and industrial plants and foster and maintain cordial relations with the agricultural and allied interests of Contra Costa county, and its neighboring counties and communities;

To prepare and disseminate information concerning Contra Costa county to those seeking homes, business, or industrial locations in Contra Costa county;

To establish and maintain an unselfish and intelligent interest in the development and support of good highways, good streets, good schools, public parks and other enterprises, directing and effecting the general goal of Contra Costa county or any of its cities and towns;

To aid in expanding and improving transportation facilities;

To act harmoniously for the moral and civic integrity of Contra Costa county;

To increase its wealth and population, and foster the general welfare of the community; and

To provide a public forum for the dissemination of information about Contra Costa county, and its development and to keep the people of the county informed on the general progress and welfare of Contra Costa county.

The meeting last night was held in the Travelers hotel, Martinez and took the form of a dinner.

Prior to the meeting the by-laws committee comprising besides Sanford, M. L. Jones, president of the Martinez Chamber of Commerce, C. E. Weister of Danville, W. E. Hutchinson, Pinole, George Murray of Pittsburg, and James P. Mauzy of Walnut Creek, met and perfected the by-laws.

Talks were made by Mortimer Yeule of Antioch, president of the East Contra Costa Chamber of Commerce, M. L. Jones, R. C. Borland, A. F. Bray, George Upham, Harry Barnes, E. B. Bull, C. M. Ray E. H. Woodfield and others.

Los Angeles police are hunting for a "fat woman, about 45," who has a mania for spanking little girls. Reports allege that the woman has within the last few days "paddled" four little girls, for no ostensible reason at all.
